

GROWING SMARTER

# Supr-Spred

**SPREADER • ACTIVATOR**

**PRINCIPAL FUNCTIONING AGENTS:**

Alkyl phenol ethoxylate, Polyethylene glycol, Isopropanol,  
and Polydimethylsiloxane..... 90%

**CONSTITUENTS INEFFECTIVE AS SPRAY ADJUVANT:**..... 10%

**TOTAL:**..... 100%

CA Reg. No. 1051242-50001

MSDS available upon request

**KEEP OUT OF REACH OF CHILDREN  
WARNING**

See Inside Booklet for Additional Precautionary Statements  
and Complete Directions for Use.

## FIRST AID

<b>IF IN EYES:</b>	<ul style="list-style-type: none"><li>• Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li><li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.</li><li>• Call a Poison Control Center or doctor for treatment advice.</li></ul>
<b>IF ON SKIN:</b>	<ul style="list-style-type: none"><li>• Take off contaminated clothing.</li><li>• Rinse skin immediately with plenty of water for 15-20 minutes.</li><li>• Call a Poison Control Center or doctor for treatment advice.</li></ul>
<b>IF SWALLOWED:</b>	<ul style="list-style-type: none"><li>• Call a Poison Control Center or doctor immediately for treatment advice.</li><li>• Have person sip a glass of water if able to swallow.</li><li>• Do not induce vomiting unless told to by a Poison Control Center or doctor.</li><li>• Do not give anything by mouth to an unconscious person.</li></ul>
<b>IF INHALED:</b>	<ul style="list-style-type: none"><li>• Move person to fresh air.</li><li>• If person is not breathing, call 911 or an ambulance then give artificial respiration, preferably mouth-to-mouth if possible.</li><li>• Call a Poison Control Center or doctor for further treatment advice.</li></ul>
Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.	

## PRECAUTIONARY STATEMENTS

### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**WARNING:** Causes substantial but temporary eye injury. Harmful if swallowed, inhaled or absorbed through skin. Do not get in eyes or on skin or clothing. Avoid breathing spray mist. Wear protective eyewear, long sleeved shirt, long pants, shoes plus socks and chemical resistant gloves made of any waterproof material when mixing or handling concentrate. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

### ENVIRONMENTAL HAZARDS

Do not contaminate water when cleaning equipment or disposing of equipment washwaters.

## DIRECTIONS FOR USE

Consult your local Fertizona representative or other agricultural specialist for specific crop recommendations.

**SUPR-SPRED** is a non-ionic surfactant containing an anti-foaming agent. It improves wetting of foliage and enhances the effectiveness of spray applications. It will not cause excessive foaming in the spray tank nor corrode equipment. **SUPR-SPRED** may be used on agricultural, aquatic, forestry, turf and ornamental, industrial, structural and non-cropland sites.

Read and follow the precautions, restrictions and recommendations on the labels of pesticides used with **SUPR-SPRED**. Use according to the most restrictive label directions for each product in any tank mix.

**COMPATIBILITY: SUPR-SPRED** is compatible with most pesticides. However, if the desired combination has not been previously used, a compatibility test is recommended.

**MIXING:** Shake well before using. Fill spray tank  $\frac{1}{2}$  full of water and begin agitation. Add the recommended amount of **SUPR-SPRED**. Add products as directed by label or in the following sequence and continue filling tank: (1) Dry flowables or water dispersible granules, (2) Wettable powders, (3) Flowables, (4) Solutions, (5) Emulsifiable concentrates. Continue agitation until spray solution is completely mixed. Continuous agitation of finished spray is recommended. If spray solution has been allowed to stand, thoroughly agitate and remix before application.

**RECOMMENDATIONS:** Specific use rates will vary with conditions of application such as water hardness, application method, equipment, spray droplet size, condition of foliage, etc. Also, higher rates than those below may be used if recommended by pesticide labeling. Follow pesticide label directions. However, do not add this product at a rate which exceeds 5% of the finished spray volume.

**AIR or GROUND:** Use  $\frac{1}{2}$ -4 pints per 100 gallons of finished spray solution. For improved efficacy, use at least  $\frac{1}{2}$  pint per acre when finished spray volume is less than 20 gallons per acre. For backpack or hand held sprayers, use  $\frac{1}{2}$  fl.oz. per gallon of finished spray solution. Exercise caution with selective herbicides where selectivity depends upon wetting the weeds but not the crop.

**DUST SUPPRESSION:** To improve the efficiency of water applied to dirt roads and/or for pre-watering prior to application of dust control products, add Supr-Spred at a rate of  $\frac{1}{2}$  to 1 gallon per 1,000 gallons of water.

**GOLF COURSES & TURF:** To improve soil wetting and water infiltration, apply 4-8 fl.oz./1,000 sq. ft. in sufficient water for thorough coverage, then water in. Repeat as needed. Supr-Spred can also be injected through the irrigation system on a weekly basis. Adjust proportioner valve to inject at the 1:1000 ratio.

# STORAGE AND DISPOSAL

## **DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE OR DISPOSAL.**

**STORAGE:** Store in original container away from children, animals, foods, feeds and seeds. Handle in accordance with Precautionary Statements. In the event of spillage or leakage, soak up the material with absorbent clay, sand, sawdust or other absorbent material. Scrape up and dispose in accordance with Product Disposal.

**PRODUCT DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state or local ACRC recycler, visit the ACRC web page at [www.acrcycle.org](http://www.acrcycle.org). Decontaminated containers may also be disposed of in a sanitary landfill.

## **NOTICE**

READ ENTIRE LABEL BEFORE USE. IF TERMS ARE UNACCEPTABLE RETURN AT ONCE - UNOPENED.

Fertilizer Company of Arizona, Inc. warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for the purposes stated on such label only when used in accordance with the directions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Fertilizer Company of Arizona, Inc. In no case shall Fertilizer Company of Arizona, Inc. be liable for consequential, special or indirect damages resulting from the use or handling of this product. The buyer shall assume all such risks. Fertilizer Company of Arizona, Inc. makes no warranties of merchantability or fitness for a particular purpose nor any other express or implied warranty except as stated above.
